

Production Associate

About Deco Products

Deco Products is a full-service zinc die-caster located in Decorah, IA. We have been offering precision zinc die-castings to customers globally since 1960. We utilize custom designed hot-chambered die-casting machines to offer our customers competitive and quality products.

Production Associate

Deco is hiring Production Associates to fill a variety of positions throughout the plant. Production Associates are an integral part of the team at Deco, and are responsible for a variety of tasks including operating manual and automatic manufacturing equipment, assembling parts, and conducting work following proper procedures.

Job functions include, but are not limited to:

- Coordinating with others to perform the assigned work load within department
- Using tools and lifting or moving production parts
- Hanging and boxing parts
- Assembling hardware
- Removing excess material from parts either manually or with the help of a machine
- Maintaining work area and following proper documentation

Minimum Requirements

- High school diploma or general education degree (GED)
- Frequent lifting or with other means for movement of boxes or pans. May also include frequent bending, stooping, squatting, pushing and pulling of parts and part containers can also be expected.
- Ability to lift 50lbs
- Basic computer skills
- Ability to read & follow written and verbal instructions
